NOTE

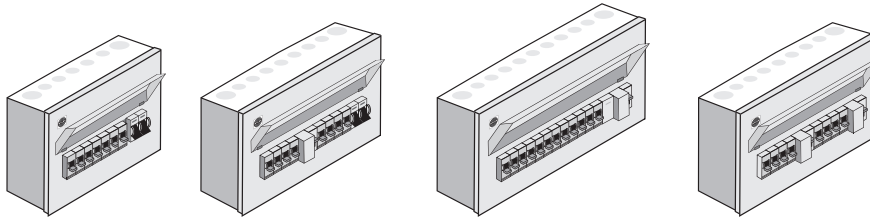

Since January 2016 Amendment 3 to BS7671 IET Wiring regulations requires consumer units that are installed within domestic household premises to have non combustible enclosures. Amendment 3 compliant Consumer units are featured within shaded pages of this price list. Insulated / plastic consumer units are no longer permitted in domestic household premises. However it is permitted to use plastic consumer units in other types of premises e.g commercial installations.

Minimum order quantities apply to products within this trade price list. All items will be supplied in pack, carton or box quantities only. Minimum order values apply for all orders placed. Electrium Sales Ltd terms and conditions apply to Electrium account holders. Full terms and conditions are available upon request and at www.electrium.co.uk (Electrium reserve the right to change the terms and conditions at any time and without notice). Purchases made by contractors, installers or users from electrical wholesalers or resellers may attract a price premium when split carton quantities are purchased.
